Working from home has a whole new meaning these days. Many of you might be adding teacher to your resume as you juggle working and teaching your children full-time now. We at Unique Venues understand your challenges, because some of our team members are doing exactly that. It is not easy, but know that you are doing a great job!

We hope that you find this free children's activity packet, created by our marketing team, useful. Our intention is for you to have an open dialogue with your child about the importance of individuality and being unique. Or, if you just need to use this packet to occupy your child during your next meeting, that's okay too! Either way, we hope you and your child enjoy what we've created for you.
