## ■ ■ AT YOUR SERVICE

University Residences Dining Services is pleased to present our special-event catering menu. We offer a delicious selection of foods and beverages designed to meet your needs. Whether you're planning a summer conference or University event, we can help. We offer complete service from summer picnics to elegant receptions.

This menu is meant to provide you with a guide of our available offerings. Please do not hesitate to consult our professionals with any special needs you might have.

## ■ ■ ALTERNATIVE OPTIONS

If our catering menu doesn't fit your needs, have your group dine in one of our all-you-care-to-eat dining courts. We'll work with you to find meeting space elsewhere in University Residences.

## ■ ■ PRE-EVENT PLANNING

Our event coordinators are available to assist you with all of the details of your special event. To better serve your needs, we request that you make your catering arrangements as early as possible. We would like to receive your menu selections and method of payment at least two weeks prior to your event date. We will do our best to accommodate your last-minute needs, but please note that additional charges may apply.

## ■ ■ GUARANTEES AND CANCELLATIONS

Event preparations are based on the specified number of guests. A guaranteed guest count is to be provided by five business days prior to your conference check-in date or event date for non conferences. If no final count is provided, the count given at the time of contracting will be used as the guarantee. Final billing will be based on the guaranteed guest count (or actual guest count, whichever is greater), along with any additional services received at the time of your event. In the case of event cancellation, charges will be based on the following:

24 hours or less notice: 85 percent charge

Five days or less: 50 percent charge
