"For the last two years NECC has hosted our Cross Border Business Expo in their Sport & Fitness Center. NECC has excelled as a venue for us, and the personal service and attention to detail of the NECC staff has been wonderful. We wholeheartedly recommend the NECC facilities and their staff for your event!"

John B. DeBaun, Chairman
On behalf of the Cross Border Business Expo Committee

"This building (El-Hefni) has so many great looks. It could easily double as a hospital, research and development facility, a school or a corporate space. It's a good looking building, inside and out."

Tim Gorman,
Location Manager for Van Wormer Production Company

"We have been using the NECC facility since 2007 and have always had a great experience. They are easy to work with and parking is great. Without hesitation I would recommend Northern Essex Community College for classroom training, seminars or a business meeting."

James Hildreth,
Construction Certification Institute Inc.

"We held the Project IMPACT Media Panel and Networking event at the new Dr. Ibrahim El-Hefni Allied Health & Technology Center in Lawrence. The room was spacious, with lots of natural light, and we were able to accommodate the participants, as well as the panelists without any problem. Overall the experience was great!"
